## University of Illinois ball screen set play

**Diagram 1:** 1 passes to 2. 3 cuts hard off 5's screen. If x3 doesn't get caught on the screen (opening up a layup opportunity), 3 spreads out to the corner.

**Diagram 2:** 5 turns and screens in for 4. 4 curls the screen to the right block.

**Diagram 3:** 2 passes to 1 who dribbles at 5's elbow ball screen. 5 rolls off the screen as 4 moves to fill behind.
