COMES NOW, Petitioner, Richard-Enrique: Ulloa, unrepresented, **objecting by way of giving** JUDICIAL NOTICE, that the Plaintiff / Court lacks jurisdiction to hear, convict, or bring any case against this Petitioner under Federal Rules of Civil Procedure 4(j),12(b)(1), (2), (3), (4), (5) & (6) as well as the 4th, 5th, 9th, 10th, 11th and 14th amendments of the Constitution, whereby Petitioner is not subject to a Foreign State, and

1. Objection is made on all in-court statements from the prosecution, as all these comments and statements and testimony were made on behalf of a dead person. Corporations such as the UNITED STATES OF AMERICA are DEAD entities. Federal Rules of Evidence 602 “Lack of Personal Knowledge” does not allow a witness to testify unless evidence [or statements] are introduced from someone that has “personal knowledge”, the prosecutor has no such knowledge, and
2. In the Federal Rules of Evidence Rule 602 states it need not consist of witness’ own testimony, but it needs to conform to Federal Rules of Evidence 703. The prosecutor does not meet this rule either, and
3. In Federal Rules of Evidence 703, “Bases of Opinion Testimony by Experts. The prosecutor is no expert and cannot Testify, therefore all he has presented to this point, is testimony on behalf of a dead person, and
4. New York State Civil Practice Law and Rule CPLR § 4519 [Dead Man Statute] states that the Dead Man's Statute provides that the verbal statements of a person who is dead or mentally incapacitated cannot be testified to at trial by an interested party, and
5. Since a Corporation is a dead “person”, the prosecutor cannot and is not allowed to make up stories on behalf of a dead person, and
6. New York CPLR § 4519 states, *“Upon the trial of an action or the hearing upon the merits of a special proceeding, a party or a person*

1 interested in the event, or a person from, through or under whom such a  
2 party or interested person derives his interest or title by assignment or  
3 otherwise, shall not be examined as a witness in his own behalf or  
4 interest, or in behalf of the party succeeding to his title or interest  
5 against the executor, administrator or survivor of a deceased person or  
6 the committee of a mentally ill person, or a person deriving his title or  
7 interest from, through or under a deceased person or mentally ill person,  
8 by assignment or otherwise, concerning a personal transaction or  
9 communication between the witness and the deceased person or mentally  
10 ill person, except where the executor, administrator, survivor,  
11 committee or person so deriving title or interest is examined in his own  
12 behalf, or the testimony of the mentally ill person or deceased person is  
13 given in evidence, concerning the same transaction or communication.

9 7. Federal Rules of Evidence 601, states that the general rule of competency  
10 shall be determined by State law, and State law in New York states, the no  
11 one is allowed to testify for a Dead Person, and

12 8. So, based on Federal Rules of Evidence 601, 602 and New York State  
13 CPLR § 4519, all testimony, statements, documents presented on behalf of  
14 the "UNITED STATES OF AMERICA" were testimony on behalf of a  
15 dead person, and the "DEAD MAN STATUE" applies.
