Verse 1

Who are we that You would be mindful of us
What do You see that's worth looking our way

Verse 2

We are free in ways that we never should be
Sweet re-lease from the grip of these chains

Pre-Chorus

Like hinges straining from the weight
My heart no longer can keep from singing

Chorus 1

All that is within me cries
For You alone be glorified
Em-manu - el God with us
My heart sings a brand new song
The debt is paid these chains are gone
Em-manu - el God with us

Verse 3

Lord You know our hearts don't de-serve Your glory
Still You show a love we cannot af-ford
