Immigrant Ships Transcribers Guild

Steamer Hermann

Page 1 of 2

Bremen, Germany to New York 27 April 1868

DISTRICT OF NEW YORK - PORT OF NEW YORK

List or Manifest of ALL THE PASSENGERS taken on board the Str "Hermann" whereof W. H. Wenke is Master, from Bremen, burthen 2774 tons.

Columns represent: given name and surname, age, sex, occupation, the country to which they severally belong, the country in which they intend to become inhabitants, and a notation if the passenger died during the voyage. The part of the vessel occupied during the voyage was not recorded so this column is not included in the transcription.

Transcriber's Notes:

A question mark (?) indicates a letter or a number that cannot be transcribed definitely.

An asterisk (*) indicates either difficulty in deciphering the handwriting of the manifest or something in the Transcriber's Notes to which the reader should refer.

A caret (^) indicates that the following letter in a word or name is superscripted.

The transcriber numbers the passengers consecutively, even though they are not numbered in the original manifest.

The recorder did not use ditto marks to indicate "same as above". Many sex and occupation entries are left blank and the reader is confronted with the problem of interpreting the recorder's intended meaning. The transcriber uses the sex last entered for a passenger above, and correlates this interpretation with whether the passenger has a masculine or feminine given name. Occupations are only given in the transcription if the recorder entered them. Since it was common for recorders not to make an entry in the occupation column for female passengers or for children, a possible though not a certain interpretation of the intended occupation where left blank is that of the occupation of the last adult male entered above.

The recorder of the manifest often abbreviates given names by writing only the first few letters of the name, followed sometimes by a period but many times without it, e.g., Jos for Joseph, Fr. for Friedrich, Henr for Henrich, Bernh for Bernhard, etc. For some names the recorder abbreviates it by writing the first few letters then skipping letters and then writing the final letter, i.e., Henre for Henriette, Wilhe for Wilhelmine, Magda for Magdelena, and Johe for Johanne, etc.

The recorder of the manifest often abbreviates a passenger's Occupation, such as "Merch" or "Mercht" for "Merchant", "Mech" for Mechanic and "Labr" for Laborer.

19 Passenger's Age is obscurred by damage to the manifest in this area. 21 Surname appears to be written as "Dauerport", but might possibly be "Davenport". 22 Surname is either "Hartwig", "Hortwig", "Hartivig" or "Hortivig. 25 Surname is either "Schafer" or "Schofer". 33 Surname appears to be written as "Beisbeim", but might possibly be "Beisheim". 43 Surname is either "Widbers" or "Willbers". Surname is either "Ramer" or "Romer". 80-81 Surname is either "Bonig" or "Bomg". 102 Surname appears to be written as "Sauuer", but might possibly be "Sanuer", "Sauer" or "Sauner". 103 First name initial is poorly formed and cannot be deciphered with certainty, but might possibly be "R", "N" or "V". Surname is either "Henkenius" or "Henkennis". Surname is either "Tjards" or "Tgards". 127-129 Surname is either "Saak" or "Sack". 153-157 Surname is either "Karth" or "Kurth". 168 Surname is either "Jorden" or "Jarden". 185-187 Surname is either "Stramer" or "Stromer". 203 Surname is either "Gantges" or "Gautges". 212 Surname is either "Pilzer" or "Pilger". 215 Surname is possibly "Schorrborn", "Schorborn" or "Schonborn". 233 Surname is either "Jacobe" or "Jacobi". 243 Surname is possibly "Schmkuhler", "Schnikuhler", "Schrukuhler" or "Schuckuhler". 247 Surname is either "Westerelzsch" or "Westeulzsch". 248 Surname is either "Ramig" or "Romig". 250 Surname is either "Mole", "Moll", "Mall" or "Male". Surname is either "Loffler" or "Laffler". 255-260 263-264 Surname is either "Kramm" or "Kromm". 284 Passenger's Age is either 30 or 31. 298 Surname appears to be written as "Fohner", but might possibly be "Fahner". 301 Surname is either "Jellniek" or "Jellnick". 305 A notation associated with this infant passenger states that she "Died on the Voyage". 307-309 Surname is possibly "Krenzle", "Krengle", "Kienzle" or "Kiengle". 313 Surname is either "Hayen" or "Haigen".

Correspondence 05/18/2005 passengers #209-211 Klapp

Passengers #209 Henr. Klapp, #210 Wilhe Klapp, #211 Baby Klapp (Germany). I believe this may be my grandfather's brother from Istha, Germany. My father told me that when his father was a young man (b. 1849), he told the story of an older brother who went to America and was never heard from again. The year would be around the correct time, as my grandfather would have been 19 years old at the time, and Henr. Klapp was 26 years old, and Henr. is a family name. If any one has any information, please email me. Thank you! Mary Lee Klapp

17 November 2004

If you find an ancestor on a ship on ISTG and would like to link to your email address or home page, please submit a short paragraph about the passenger, where settled, children, etc., with the <u>name of the ship and date</u>

We strive to make your search productive. If you don't find the passenger list you are looking for on our site, please consider a subscription to Ancestry.com. There, you can locate your ancestors ship, passenger list, view and save a copy of the original list. You can also access census data and death records to help you in your search. Census records, and in particular the 1930 census, is one of the most easily used tools for beginners and seasoned genealogists alike. Ancestry.com is the only place where all census years are easily searchable.
