# The Manifesting Forum Radionic Linking Machine

Below you'll see two diagrams, one of a "symbolic radionic/linking diagram" and one of a "direct mind influencing dial". The purpose of this symbolic linking machine, is to etherically link yourself and your mind, up to all the posts you make on "The Manifesting Forum". Through the use of this diagram, you can now have "direct mental/psionic" access to all your intended manifestation posts you make on the forum, without even having, to have access to a computer. You can tap the energy of all your posts, all at once through the use of this "symbolic radionic/linking machine".

What you do, is print out the two diagrams, either glue or tape the two to a piece of cardboard. If you don't have cardboard, you can just print them out and use them. Affix the dial, to the circle, surrounded by the time marks, with a brass fastener. Once you have the machine set up, then write your forum name on a piece of paper and place on the appropiately marked square.  If you want to direct the energies of your posts, directly into your mind, then you can turn the dial to the appropiate time fram, that you want to "directly influence" your inner mind. If not then turn the dial to the "off" position. Then just leave the machine anywhere, in the room that your in and you'll be able to access all the energies of all your posts, all at once all the time.
