## 2 Turkey set plays from last night's World Championship

### "4"

**Left Diagram:** Starting in a 1-4 high alignment, the play begins with 4 stepping off the elbow for a catch from 1. On 4's catch, 3 empties and 5 screens for 2 who cuts across the lane. 1 moves as if to screen down for 5.

**Right Diagram:** 4 passes to 2 on the right wing. 1 slips his screen for 5 and instead turns to set a back screen for 4. 2 looks for the lob to 4 or 1 stepping out (can be a 1/5 ball screen on 1's catch).

### "Across"

**Left Diagram:** 1 hits to wing and screens away for the trail man as the opposite wing cuts under.

**Right Diagram:** Ball reversal 4 -> 2 -> 1. 3 sets a shuffle screen for 4 to dive to block
