SHEMALE
CALLGIRLS

- “What’s up, Frank, what is worrying you?”
- “Ah, Elaine tried to escape again last night.”
- “She did, did she?”

- “So you have to punish her! This is the third time. That means you must call in the squad.”
- “They will love it!”

- “Did I ever tell you about the time I faced the squad?”
- “Huh? Miss? What do you mean?”
- “I faced the squad here in this camp!”

- “Oh God! You were a shemale prisoner? Here? I have been so stupid!”

- “We are like Janissaries, Frank, you know the Christian boys that were taken and raised by soldiers by the Ottoman Sultan. We live to serve.”

- "I tried to escape three times. Do you know why?"
- "No..."
- "Because I liked it too much. I liked the feminization and I knew I had to get away if I were not to lose myself."

- "But you got caught..."
- "They found me in a Indian village down by the coast and dragged me back here."

- “They held me down, dressed me up, put on make-up and a tape across my mouth to stop my obscene screaming.”

- “There I was, facing four strong guards and four erect cocks waiting to take pleasure in my body. And what was I scared of?”

- “I was afraid I was going to like it! And if I liked being fucked by men, the old boy inside me would die.”

- She grabbed Franks hand and put it on her huge tit: "Can you feel my nipples getting erect. Even now I get turned on by memory of these four erect cocks!"

- "I couldn't help it. The fact that they found me attractive turned me on!"

- “That cock called out to me. I wanted it. But I did not want to want it. I wanted my life back!”

- “I hoped that they would let the duct tape stay, but of course, they were to turn me into a cock-sucking slut, so they ripped it off!”

- “I begged them to let me go, but they forced me down on that cock.”

- “And then I had it in my mouth, and I knew it was too late. I loved the texture of its soft hardness. I loved the way it responded to my tongue.”

- “My tits weren’t as big then as they are now, you know, but the way they brushed against the man under me made me shiver as if I were having a fever!”

- “Then there were more cocks, and I could have them all.”

- “I could feel my mind slip, you know. All the conditioning, all the fear, all the hormones had undermined my personality.”

- “At that moment I knew that I needed them to fuck me. God, I am so horny! I need you to take me now!”

- “Those four men turned me into the woman I am today. One crazy, evil, bitch!”

- “Oh, you like my tits now, do you? I love them too and the way you touch them!”

■ "I love the way men touch me. I can drink up your desire. I feast on it now as I did then!"

- “I realized then that even if I were their prisoner, their desire made them my slaves.”

- “In the way you are my slave now, Frank! Ah, you like my pussy, don’t you? I had a dick back then, but my boss wanted to holes two play with.”

- “It didn’t matter back then. They found my ass hole and started to play with it.”

- "Oh yeah, Frank. Lick me. Lick me harder! I am so hot. I am so fucking hot!"

■ "I needed to be filled up with hard cock.

■ “And when I felt that fat black cock slide in between my butt cheeks, I could only moan. What are you waiting for, Frank?”

- “I had lost all control. They did exactly what they wanted with me, and at the moment I gave in, it was good.”

■ “Oh yeah, fill me up now as they did back then!”

- “They ravaged me. Fucked me again and again, one after the other. I was sore as hell, but wanted more.”

- “By now I think they started to understand that they had won, and that I had succumbed to my new role as a cock-rider.”

- “Oh yeah, Frank, that is good. Fill me up with your male meat. Show me that you want me!”

- “I was as hard as them that day, you know. Not that I miss my cock. I have a hard soul now. I am not much of a woman that way.”

■ "My story turns you on, doesn't it, you sucker!"

- "I already had one cock grinding inside me. But this was the squad. I were to be punished, and I could sense more cock behind me."

- “It was painful you know, but I liked it. I could feel my sphincter adapt itself to the intruders. Two years with butt plug training paid off.”

- “I knew then that I would conquer this organization. Maybe for revenge. But also because I wanted more sissy boys to feel what I felt that day.”

- “I wanted to liberate the weak and the good and give them the power of womanhood.”

- “And all the boys I have liberated, they are out there now, feeling the power I have over you!”

- “Oh Gawd. Oh, oh, oh! So you take.... aaah... take that bitch Elaine.... And give her to the squad andooooouch... set her free!”

- THE NEXT DAY
- Eliah was pissed. They had found him again, as he was betrayed by a local bus driver. Now they had hung him up to dry.

- There was no way he was going to be their “Elaine”. No way!
- But he had no illusions about what they were going to do with him today.

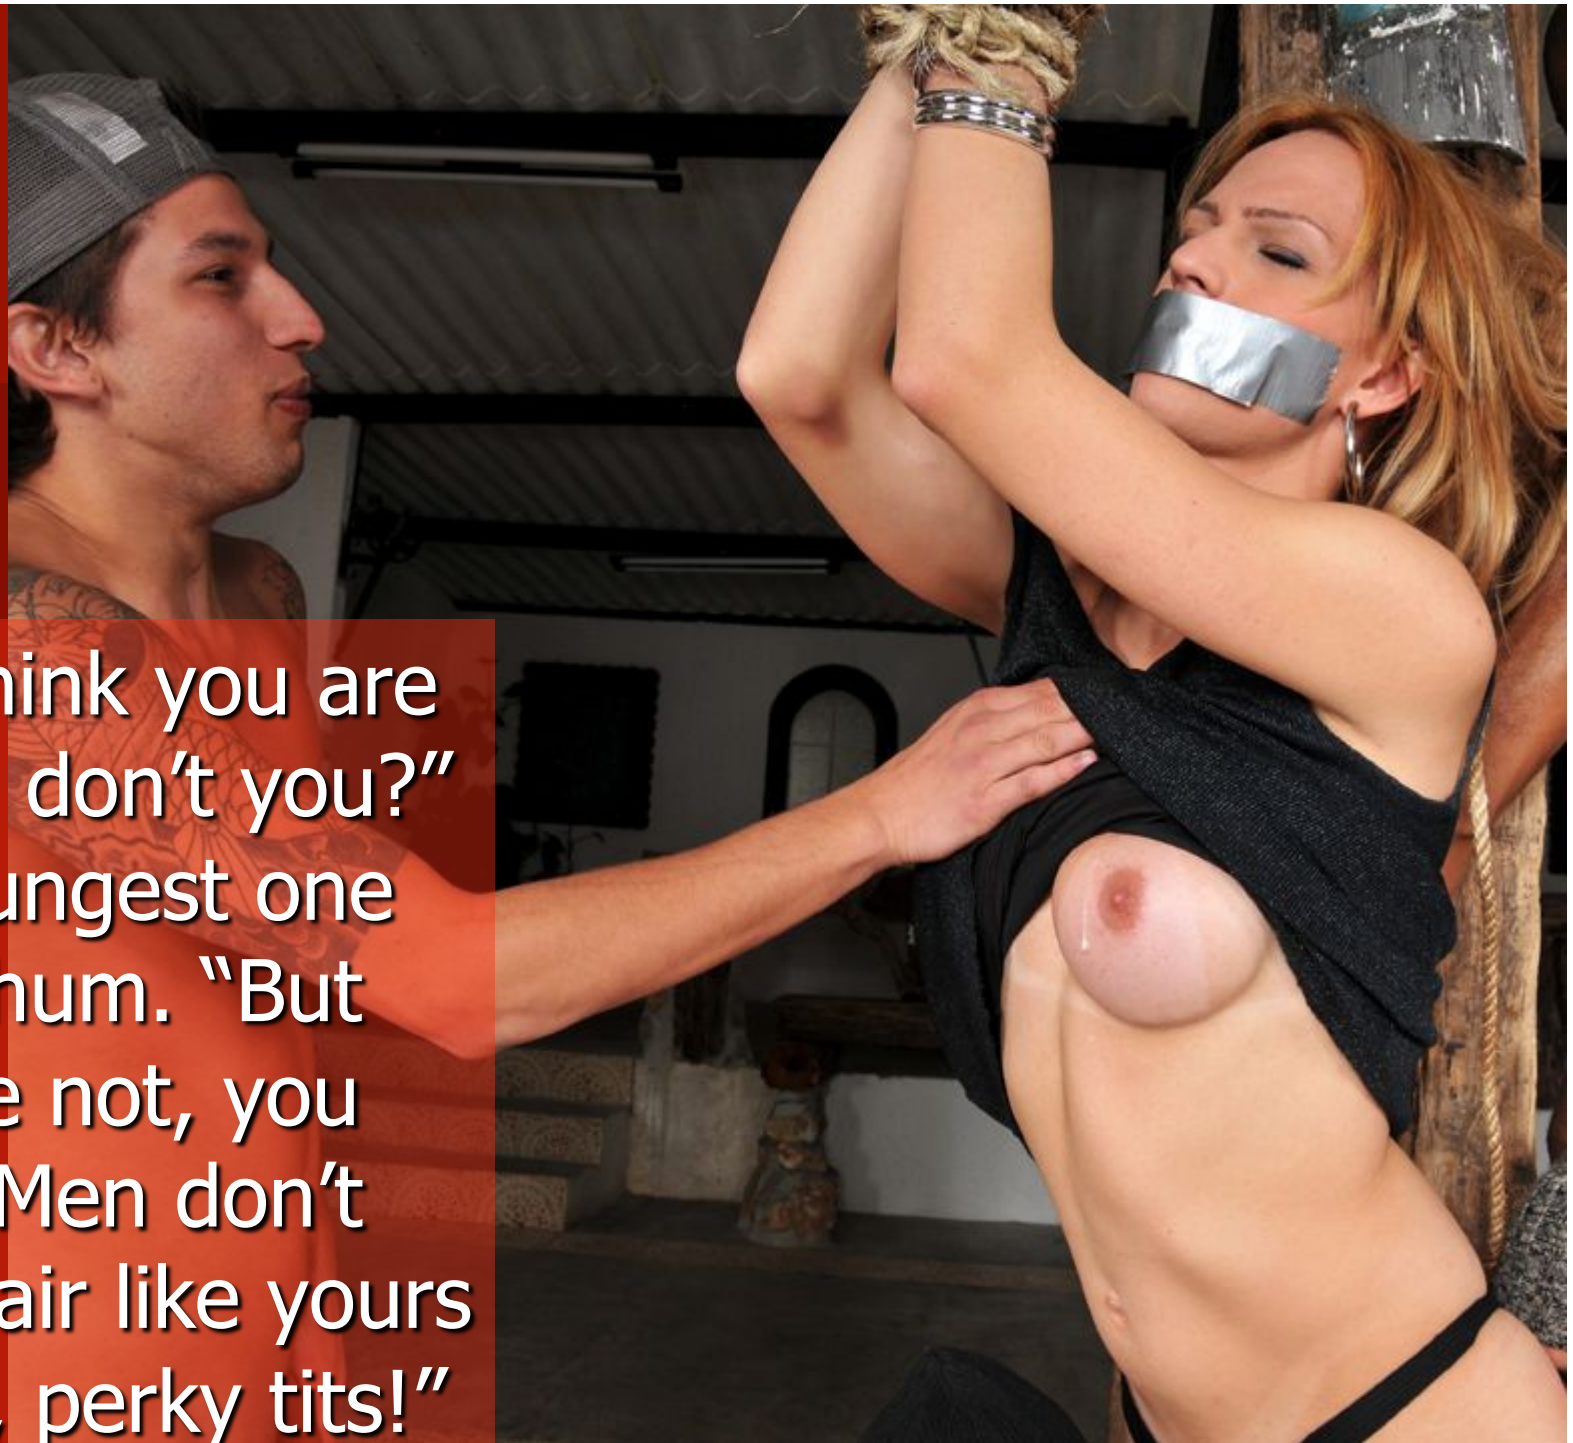

- This was strange. All the cocks distracted him. The hands grabbing his tits distracted him. He felt his own cock stirring. Damn!

- It must be the conditioning. They had brain washed him! But he was not going to give in.
- “Look at how small and weak she is!” one of the men said.

- “You think you are a man, don’t you?” the youngest one asked him. “But you are not, you know. Men don’t have hair like yours or soft, perky tits!”

- “You are our bitch now, and we will prove it to you!”
- They pulled his panties aside to get access to his butt. Again he felt a surge of bewildered desire run through his body.

- “We are going to let you speak now, lady, so that you can beg us to fuck you!”
- “Fuck you!” he yelled.
- “Thank you, ma’am, was the reply.

- One started to suck his nipple. The other came up behind her, dick erect.

- Then he had one cock in his mouth and he could feel another slide up inside his ass. He felt his resistance weaken.

- “Look at her! She is so fucking hot!” one of the exclaimed.
- “You’re gonna bring in lots of dollars, lady!”

- They took off his dress and lifted him up to allow another man entrance.
- “Beg for it, bitch!”

- This time Eliah found himself longing for the penetration.
- "Please fuck me," he whispered.
- "Louder!"

- “Fuck me!” he yelled.
- Again he could feel himself being filled up with cock. The pain turned into perverse pleasure.

- He didn't know what he was anymore, but the woman inside him grabbed his own limp dick and moaned.

- “Your limp cock won’t do it with the tranny lovers, baby. I guess they will give you that final operation!”

- So that was going to be his final fate, was it? Totally emasculated, living as a woman.

■ Maybe it wasn't so bad, Elaine pondered, as she sucked eagerly on the nearest cock. She would not like to be like these bastards, anyway.

- She would have her revenge, one day. One way or the other.
