

10 Reminders from Favorite Pups

In celebration of National Dog Day - August 26, 2011

1. There is much to explore and discover.
2. If what you want lies buried, dig until you find it.
3. Be loyal and protect those you love.
4. Let others know when they have invaded your "territory".
5. Avoid biting when a simple growl will do.
6. Run, romp and play every day.
7. Accidents happen.
8. When loved ones come home, always run to greet them.
9. When someone is having a bad day, be silent and stay close.
10. Stop and smell the roses...and everything else along the way.

Great reminders that help us be
better managers, better leaders, better people.

Note from Author, Jan Bolick: Some of the above reminders are in my words. Some of them are from unidentified authors. Since I can't credit them, I'll credit Hurley (left), a very special dog, who is no longer with us. But taught us so much.

And now our grand puppy, young Cooper, enthusiastically reminds of us of all ten – particularly #7.

Thank goodness it's Mistake Management Month!
