Dear Clerk;

I am in receipt of your letter dated April 6, 2010 and the Federal Reserve note for \$5 #IJ05440508A. I intended that be donated to the *office of profit* of Wiley Young DANIEL upon the premise in **your** case (09-CV-3001) ruled on by BLACKBURN upon the blending of law and equity; the *One Form of Action* (1938) redacting any judge's office to that of a political office.

In other words I am lobbying DANIEL to perform a review of the decision by BLACKBURN. Of course DANIEL cannot follow that same rule, as a politician because that is now a conflict of interest and so the review of the matter can only be strictly judicial – outside the scope of being a legislator ruling on law.

Thank you,

CV 139
