Re: Fiduciary obligations for settlement

Dear Mr. William H. Alsup,

To our knowledge none of the fiduciaries has taken their responsibility serious and damages are imminent.

Each and every one of you have been bonded to the amount of \$10,000,000.00 to indemnify you. Therefore you are without excuse to settle the matter of CR 05-00611 WHA and all the contingent accounts. A copy of the bond on file with the Secretary of the Treasury as of August 23, 2007 is herewith attached.

You are instructed to do whatever it takes with the Payee to settle this matter. Time is of the essence and you are given until 9-23-07 to perform, or for the bond to be dishonored. Failure to perform will be a fault and acceptance of the damages not only to the beneficiaries KURT F. JOHNSON and DALE SCOTT HEINEMAN but all those who will be damaged by the fraudulent claims of the mortgage industry. Lack of performance is equal to self-enrichment and a damage. We highly recommend that you seek better legal counsel than that which you have relied upon to date since we do not wish to see you succumb to unnecessary liability.

Thank you for your kind service,

By: _____
